TABU mit einfachen Begriffen – ab 6. Klasse

Dieses Tabu-Spiel enthält 100 Karten mit einfachen Begriffen. Es eignet sich für Schüler ab Ende der 5. Klasse.

1. Tabu basteln: Tabukarten (S. 1-10) ausdrucken, ggf. auf Karton kleben und ausschneiden. Je nach Wunsch 10 Mal die Rückseite (S. 11) ausdrücken und vor dem Ausschneiden auf die Rückseite der Tabukarten kleben. Die Rückseite gibt es in fünf verschiedenen Farben – für den Fall, dass du mehrere Sets für eine ganze Schulklasse herstellen und die Sets dann nicht durcheinanderwerfen möchtest. Man kann damit direkt auch die Schüler in Gruppen aufteilen.

2. Regeln: Am besten in kleinen Gruppen (z.B. 2 und 2) gegeneinander spielen. In einer gesetzten Zeit (z.B. 2 Minuten) müssen sich zwei Spieler so viele Begriffe wie möglich gegenseitig erklären. Das Team, das in dieser Zeit die meisten Begriffe schafft, gewinnt.
