**TASK 2 - MEDIATION.** Your family members all want to do different things in Scotland. Tell them in German which places they should visit. Often more than one place fits.

- A) Your sister: „Ich will auf jeden Fall reiten gehen.“
- B) Your mum: „Ich fände es interessant, mehr über schottische Geschichte zu erfahren.“
- C) Your brother: „Wo kann man eine Bootstour machen?“
- D) Your father: „Irgendetwas mit Sport wäre gut.“
- E) Your grandma: „Wo kann man traditionelles Essen probieren?“

**Ex. A)** „Reiten kann man auf den Shetland-Inseln und auf dem Ben Nevis.“

**TASK 3** Which place(s) from the brochure would you like to visit? Say why.

a

**Edinburgh** is the capital of Scotland. Long ago, the kings of Scotland lived here. At Edinburgh Castle, you can learn more about Scotland's history. But the city is great for shopping, too!

b

Do you like sea animals? Then you should take a boat trip on **Moray Firth**! With a bit of luck, you'll see dolphins and seals!

The city of **Aberdeen** was a fishing harbour once. If you want to learn more about life and work at sea, you should visit the Aberdeen Maritime Museum!

c

**Loch Ness** is a big lake in Scotland. People say that a monster lives in the lake! You can also visit a museum about Loch Ness and its monster – and a theme park called *Nessieland*!

d

If you like sandy beaches, the **Shetland Islands** are the right place for you! You can take boat trips and ride along the beach on a real Shetland pony.

e

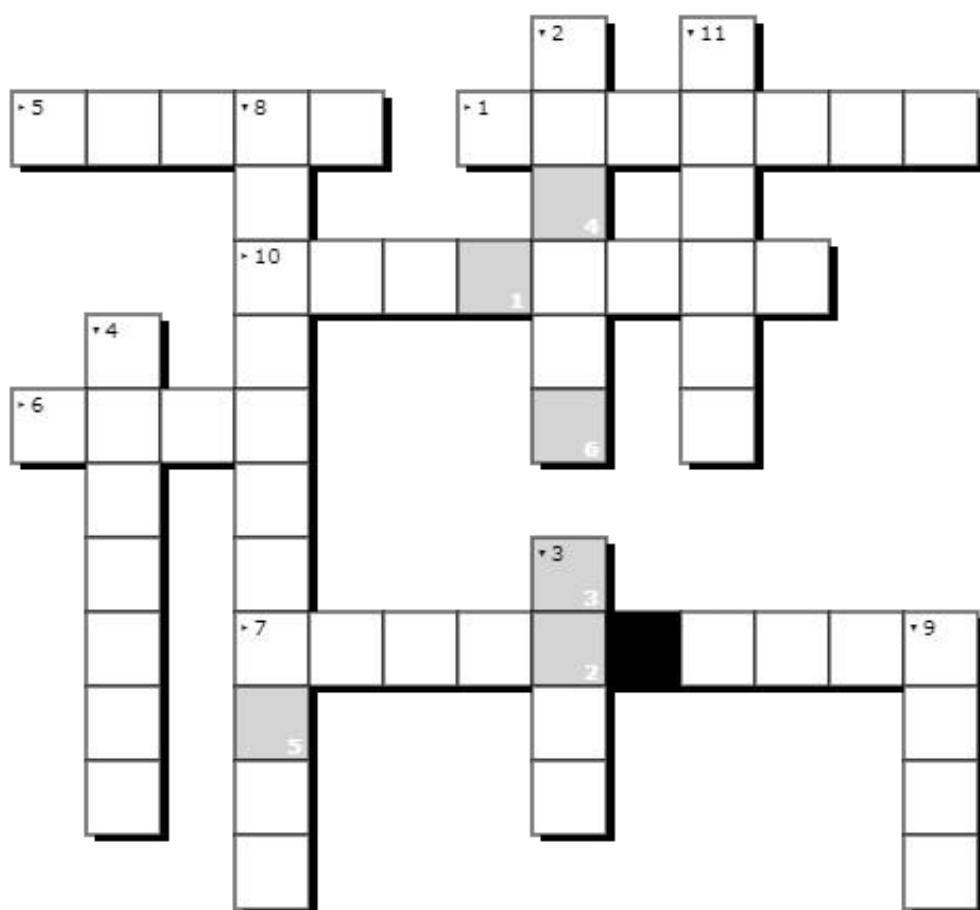

In summer, you can visit the **Highland Games**. They're events with different sports competitions like tug-of-war and hammer throwing. And there are traditional clothes (kilts!), food and music!

f

**Ben Nevis** is the highest mountain in the UK. It is great for hiking, climbing, horseback-riding and mountain-biking.

g

**TASK 4** Fill in the crossword puzzle with words from the text. If you don't know the translation of a word, look for it in the text in brackets.

**Solution word:**

— 1 — 2 — 3 — 4 — 5 — 6 —

**TASK 5 - WRITING.** Imagine an exchange student from Great Britain is planning to visit you. He has asked you about interesting places in or near your home town. You can use the words and phrases from the box below. You can start like this:
