Lösung

EXERCISE 1 Lily – swimming pool; Debbie – museum; Jenny – restaurant, Janet – zoo.

Erklärung: Lily wants to do sports, so she goes to the swimming pool. You can't do sports at a restaurant, a zoo or a museum.
Debbie does not want to see animals, so she isn't at the zoo. She's also not hungry, so she isn't at the restaurant. She can't be at the swimming pool because that's where Lily is. So she must be at the museum.
Jenny doesn't want to see animals, either. Because the museum and the swimming pool are already taken, she must be at the restaurant.
That leaves the zoo for Janet.
