

A postcard from Edinburgh

Rob is on holiday in Scotland. He has written a postcard to his friend Emma. Read the postcard and decide which picture (A, B or C) is on the back of the card.

<p>Dear Emma, June 24</p> <p>My mum and I are spending a few days in Edinburgh. We're having a great time because there are so many things to do here! Yesterday it was a bit cold and rainy, so we visited Edinburgh Castle. We learned a lot about the city's history there. You can see the castle in the picture on the postcard. Doesn't it look cool? Only one thing happened that was NOT cool: When we were leaving the castle, someone tried to steal my bag! Luckily, I noticed him just in time, and he ran away! Today it's sunny and warm – perfect for a walk in the center. And tomorrow we're going to visit the Edinburgh Dungeon - a scary museum about Edinburgh's history! I'm excited! I hope you're enjoying your holidays, too! See you next week!</p> <p>Love, Rob</p>	 <p><u>Emma Brook</u> <u>39 Catherine Grove</u> <u>LONDON</u> <u>SE10 8BG</u></p>
